

Title: Fall 2020 Sustainability Internship 1

Organization: Located in Austin, Texas, **Shoal Creek Conservancy (SCC)** is a 501(c)(3) nonprofit organization established in 2013 with the mission of championing the 13-square-mile Shoal Creek watershed and the creek and trail running through it. We engage in thoughtful public and private partnerships, lead fun and meaningful programming and advocate for improvements that make Shoal Creek and the Shoal Creek Trail safer, more accessible and more inspiring for all Austinites. For more information, please visit www.shoalcreekconservancy.org.

Job Description:

Seeking a 2020 Fall intern to aid our team in creek and trail monitoring efforts, event and tour assistance, program promotion, communications and creation of educational materials. This internship will involve at least 50% of time spent outdoors. Occasional events will take place on weekends. Educational opportunities included: interviewing and resume writing assistance, riparian management training and community engagement training.

The Sustainability Intern will be responsible for the following:

- Lead Trail user monitoring/surveying along Shoal Creek
- Cleanup efforts
- Program promotion
 - Lead tabling at events
- Tour/event assistance
- Assist in the creation of educational materials
 - Short videos
 - Newsletter and social media content
- Photography
- Attend riparian management workshop(s) and work with SCC staff to learn more about protecting urban waterways and riparian habitats.
- Lead volunteer recognition and recruitment efforts

This internship has a stipend of \$500 for the fall semester.

Starting date: September 15, 2020

Ending date: December 15, 2020

Sustainability Internship Application Process

Applicants are to send a one page statement that describes why they are interested in Shoal Creek Conservancy's internship, how it fits in with their long term goals, and what skills they hope to gain. Applicants are to also send a resume or a list of their relevant experiences to info@shoalcreekconservancy no later than September 2nd. The subject of the email should read, "Fall 2020 Sustainability Internship # Application." (# corresponding with which internship position, one or two)

Interviews will be conducted the week of Sept. 8th with an expected start on September 15th.
