

Title: Fall 2022 Sustainability Internship

Organization: Located in Austin, Texas, **Shoal Creek Conservancy (SCC)** is a 501(c)(3) nonprofit organization established in 2013 with the mission of championing the 13-square-mile Shoal Creek watershed and the creek and trail running through it. We engage in thoughtful public and private partnerships, lead fun and meaningful programming and advocate for improvements that make Shoal Creek and the Shoal Creek Trail safer, more accessible, and more inspiring for all Austinites. For more information, please visit www.shoalcreekconservancy.org.

Job Description:

We are seeking an intern to aid our team in creek and trail monitoring efforts, event and tour assistance, program promotion, and content creation for SCC's social media and educational outreach materials. This internship will involve at least 50% of the time spent outdoors. Occasional events will take place on weekends. Educational opportunities included: interviewing and resume writing assistance, riparian management training, and community engagement training.

The Sustainability Intern will be responsible for the following:

- Pollution monitoring along Shoal Creek
- Cleanup and riparian restoration efforts
 - Tool transportation
 - Lead volunteers
- Program promotion
 - Sharing programs online via community calendars and Facebook events
- Tour/event assistance
- Assist in content creation for social media and educational materials
- Photography
- Attend workshops and relevant training opportunities

This internship has a stipend of \$1500 for the semester.

Starting date: August 31, 2022

Ending date: December 16, 2022

Time commitment: ~10 hrs per week

Sustainability Internship Application Process
