

Title: Fall 2026 Sustainability Internship

Organization: Located in Austin, Texas, **Shoal Creek Conservancy (SCC)** is a 501(c)(3) nonprofit organization established in 2013 with the mission of championing the 13-square-mile Shoal Creek watershed and the creek and trail running through it. We engage in thoughtful public and private partnerships, lead fun and meaningful programming and advocate for improvements that make Shoal Creek and the Shoal Creek Trail safer, more accessible and more inspiring for all Austinites. For more information, please visit www.shoalcreekconservancy.org.

Job Description:

Seeking an intern to aid our team in creek and trail monitoring efforts, event and tour assistance, program promotion, and content creation for SCC's social media and educational outreach materials. The intern will spend a significant portion of the internship working on an independent project that supports SCC's projects and programs. This internship will involve at least 50% of time spent outdoors. Occasional events will take place on weekends. Educational opportunities included: interviewing and resume writing assistance, riparian management training and community engagement training.

The Sustainability Intern will be responsible for the following:

- Pollution monitoring along Shoal Creek
- Cleanup efforts
 - Lead volunteers
- Expand Shoal Creek's riparian buffer
 - Riparian restoration workday support
 - Watering native saplings 1-2 times a week in various Riparian Restoration sites
- Assist SCC staff with rain garden maintenance
 - Planting/seeding/weeding
- Tour/event assistance
- Opportunity to assist in content creation for social media and educational materials
- Photography
- Attend workshops and relevant training opportunities

This internship has a stipend of \$1500 for the semester.

Starting date: September 8th, 2026

Ending date: December 2nd, 2026

Time commitment: ~10 hrs per week

Sustainability Internship Application Process

Applicants are to send a one page statement that describes why they are interested in Shoal Creek Conservancy's internship, how it fits in with their long term goals, and what skills they hope to gain. Applicants are to also send a resume or a list of their relevant experiences to info@shoalcreekconservancy.org no later than Monday, August 31st. The subject of the email should read, "Fall 2026 Sustainability Internship Application."

Interviews will be conducted between September 2nd-4th with an expected start date on September 9th.
